

ST LEONARDS, HEATH & REACH, VA LOWER SCHOOL PARENTS NEWSLETTER 2024/25 NO 24

Our school value this half term in Justice "Learn to do right. Seek Justice." Isaiah 1:17

HELP NEEDED

Our lovely school Bunnies, Peter and Benjamin, need a home for over the Easter holidays.

Our usual Bunny holiday home is unable to help this time.

We can arrange transport to home if anyone is willing to support. Thank you.

PARENT CONSULTATIONS

If you have not booked an appointment to speak to your child's class teacher please do make sure that you do so.

SAFEGUARDING AT DROP OFF AND PICK UP

We have taken the decision to close the gates at the bottom of the school drive to safeguard our children during busy drop off and pick up times and to remind any person accessing our school drive for business during that time that there is a strict 5mph speed restriction.

I would like to remind all parents that they are not permitted to access the school drive to drop off and pick up between 8.40-9.10am and 3.15-3.40pm.

SCHOOL OFFICE MANAGER POSITION

I am very pleased to confirm that Mrs Claire Holland will be taking over from Mrs Nunn as School Office Manager after the Easter holidays. Mrs Holland was a strong candidate at interview and I am sure that she will be quick to develop in this role to ensure a smooth transition.

SCHOOL DISCO

Many thanks for all of your support towards the school disco. The children are all having a wonderful time! Thank you also to our PTA organisers and helpers.

COMIC RELIEF FUNDRAISING

We had some very funny jokes shared today, well done all. Thank you for your donations towards the charity.

GREAT BIG SCHOOL CLEAN

As part of our continued eco-school work we are taking part in this year's Keep Britain Tidy - Great Big School Clean initiative 21 March - 6 April 2025.

The children will be learning about the importance of correctly disposing of their litter and how we can help our local environment by collecting litter. Some of us will also be heading out with our classes to undertake litter picking activities.

We have a small number of litter pickers in school and we would be happy to lend them to anyone who would like to borrow them for a weekend to support the initiative and undertake litter picking while on your weekend dog walk or trip to the park, just speak to your class teacher.

We hope our whole school community will benefit from learning about this important issue.

PARENT INFORMATION SESSION (For Year 4 residential visit to PGL Liddington)

On Monday 31st March at 7pm there will be an Information session regarding the Year 4 PGL residential visit. This will be an online information session on Zoom and it will be an opportunity for you to find out more about the visit and to ask questions. Please save the date and an invite will be sent nearer the time.
